

Buchanan Arbor Day Fund 2012

... "planting the seeds of tomorrow today."

Celebrating two hundred years of history, join us as we plant of seeds of tomorrow today. The Town of Buchanan invites you to be part of Buchanan's fifth Arbor Day by making a donation and helping restore the Town Park on Lowe Street as we plant trees. You can make a difference in our community by making a donation to the Town of Buchanan Arbor Day Fund.

Donations of any size are welcomed and will be pooled together to help us restore and beautify the Town Park, Entrances to the Town of Buchanan and other public properties for future generations. All donations will be used to help cover the cost of purchasing, planting and maintaining trees. Churches, Civic Organizations, Schools, businesses, residents and families are invited to help us plant trees on Monday, April 2nd at 11:00am. Come out and help plant the trees as we commemorate Buchanan's fifth Arbor Day Celebration and inclusion in the Tree City USA Program.

Donor's names will be placed on a plaque which will be unveiled during the celebration activities. This plaque will be placed on public display in the Buchanan Town Hall on Main Street.
